Fifth Annual
“Walk to Remember”

SATURDAY, OCTOBER 4, 2008
10:00 AM

Eisenhower Park
East Meadow, New York
Field 5

*“A walk to remember
the precious babies we
hoped for, wanted and loved”*

"WALK TO REMEMBER"

*I walk to remember
the steps you will never take.
I carry you with me
as I firmly plant my feet.
Our trek started long ago,
before my belly swelled.
You were a love that grew -
like butterfly wings that beat.
Your gentle flutters then became
kicks upon which I would dwell.
And I would talk to you, sweet babe,
about the world you soon would meet.
How you'd have loved the sun shining-
blue skies without a cloud.
The autumn leaves turning-
the snow falling all around.
The flowers in the summer-
would have filled your eyes with smiles.
And the rain that might have fallen
would have caused you great surprise.
You have traveled far with me-
holding me by the hand.
And I'd have shown you all I could-
more than I can imagine.
You hold my heart tightly now
as though we're holding hands.
How far we've traveled, little one-
and my life with you has been sweet.
For I carry you in my heart
as I firmly plant my feet.*

By Kathie Mayo

Spread The Word

October is National Pregnancy and Infant Loss Awareness Month, as declared by President Ronald Regan in 1988. October 15th is Pregnancy and Infant Loss Awareness Day.

Wear your pin: share your story and bring hope to others.

Join A "Walk To Remember"

We invite you to join and support family and friends whose lives have been touched by the tragic death of a baby. We walk the steps they will never take.

Request for submission for a Memory Scrap Book

We are creating a Memory Scrap Book to be shared with others and displayed at future walks. If you would like to create your own personal memory page for inclusion in the scrap book, please bring it with you the day of the walk. The maximum page size is 12 x 12.
